

Hello Mom and Dad,

As we all are getting into the spirit of Christmas, I am looking forward to Santa's arrival for the lovely gifts. Midst the fun and frolic I would like to explore the environment during the winter vacation. Ma'am has also enclosed some fun filled tasks to keep my skills sharp. Mom kindly guide and assist me to gather information and learn new things around me. I would like to complete my tasks timely.

Wishing you all

MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR !!

Warm Regards

Vidhi Sharma

Literacy

I want to draw pictures and write the first mummy and baby letter below the picture.

Ma'am has given me the booklet to do the work. I will decorate the first page and get the spiral binding done from home.

Numeracy

Help me to practice writing counting and missing numbers from 1-25 in the notebook.

Unit of Inquiry (UOI)
