## Mathematics workshop

### htpacenotes

A mathematics workshop was held at GD Goenka World School, Sohna. The objective of the workshop was to highlight the use of the Texas instruments handheld technology. The workshop was conducted by Jim Nakamoto, mathematician. It was attended by 30 teachers from different schools all over the NCR, including Sri Ram School, Pathways Schools and different branches of GD Goenka. The workshop introduced TI-Nspire CX, an updated software. The workshop commenced with a warm welcome by the head of the school, Dr Neeta Bali and was a highly informative and interesting learning experience. Nakamoto enthralled the teachers with his expertise with the instrument and excellent oratory skills. The utility of TI-Nspire CX for handling various topics like graphs, algebra, calculus, statistics, etc was explained.
