GD Goenka Group has been honoured with six prestigious recognitions at the ETEducation Excellence Awards 2026, reaffirming its leadership across K-12 education, early childhood learning, higher education, career readiness, and institutional excellence.

Presented by ETEducation, the awards celebrate institutions and leaders that are setting new benchmarks in educational innovation, governance, student outcomes, and holistic development. The multiple recognitions underscore the breadth and impact of the GD Goenka ecosystem, which continues to shape future-ready learning experiences across educational segments.

The GD Goenka Group was recognised as the Transformational K-12 School Network, while GD Goenka, The Flagship School, Vasant Kunj received the honour for Outstanding K-12 Network Campus. Further strengthening the Group's leadership credentials, Nupur Goenka, Executive Director, GD Goenka Group, was recognised for Visionary Early Childhood Leadership.

The Group's commitment to nurturing learners across age groups was also reflected in GD Goenka Toddler House being awarded Outstanding Preschool Franchisor. In higher education, GD Goenka University received recognition for Excellence in Sustainability & SDG Integration, highlighting its efforts to embed responsible practices and sustainable development principles within the academic ecosystem.

Adding to the Group's achievements, GD Goenka Healthcare Private Limited was honoured for Excellence in Career Readiness & Placement Platforms, recognising its contribution towards strengthening employability, industry engagement, and career outcomes for learners.

These recognitions collectively reflect GD Goenka's commitment to creating transformative educational experiences through innovation, academic excellence, future-focused learning models, and meaningful industry integration. Over the years, the Group has built a comprehensive educational ecosystem that supports learners from their foundational years through higher education and professional development.

Speaking on the achievement, Nipun Goenka, Managing Director, GD Goenka Group, said, *"We are deeply honoured to receive these recognitions at the ETEducation Excellence Awards 2026. The awards reflect the collective efforts of our educators, leaders, students, parents, and partners who continue to contribute towards our shared vision. Being recognised across multiple categories reinforces our commitment to building future-ready institutions that nurture innovation, leadership, sustainability, and lifelong learning. As we continue to expand our impact, we remain focused on empowering learners with the knowledge, skills, and values required to thrive in a rapidly evolving world."*

Commenting on the significance of the recognition, particularly in the area of early childhood education, Nupur Goenka, Executive Director, GD Goenka Group, said, "Early childhood education lays the foundation for a lifetime of learning, and this recognition holds special significance as it celebrates the impact of those formative years. As educators, our responsibility is not only to teach but also to nurture confidence, creativity, and a sense of wonder in every child. This honour inspires us to continue strengthening learning environments that empower young minds to flourish."

The ETEducation Excellence Awards bring together leading educators, institutions, and industry experts to recognise transformative contributions to the education sector. The honours received by GD Goenka Group highlight its continued efforts to raise educational standards and create meaningful learning opportunities that prepare students for the challenges and opportunities of the future.

With these achievements, GD Goenka Group further strengthens its position as one of India's leading education networks, continuing to set benchmarks across K-12 education, preschool education, higher education, and career-focused learning.
