INTERNATIONAL WOMEN'S DAY

Cheers to the phenomenal women of GD Goenka World School, inspiring, leading, and empowering every day! This Women's Day, they celebrated their strength, resilience, and brilliance that illuminate the world. Here's to strong women – may we know them, be them, and raise them. Together, we rise!

ROTARY CLUB INTERACTION

Our recent interaction with seventeen Rotary Club members from the US, including PDG Nancy Barbee and PDG Joanne Schilling (Australia), was noteworthy. The team not only showcased the Interact Club's unwavering commitment to community service but also provided a platform for dynamic engagement.

A Successful PTM

Our recent Parent-Teacher Meeting was a resounding success!

It provided a valuable opportunity for parents and teachers to connect, collaborate, and strengthen our partnership in our students' educational journey. Several meaningful insights were exchanged, leading to actionable plans for every student's growth.

Steps Towards Community Service

The CAS Projects, Cozy Collection and Cover to Cover Caring drives, are making a significant impact! In the Cozy Collection drive, the students collected clothing donated by our community, distributing it through the Bhagat Singh Foundation.

Interacting with the children at the NGO, the students shared moments of joy and celebration, leaving the team committed to supporting those in need.

Meanwhile, the Cover to Cover Caring drive promoted education awareness through book donations. The event was marked by lively interaction and celebration, affirming the success of the drive.

Parent Testimonials...

"While growing up, our parents provided the best for us as children, and now, as parents ourselves, we are doing the same for our kids. Having a good foundation is a must. This consists not just of studies or a big reputed school name, but also depends on various other factors. One such place where we trust our kids is GD Goenka World School. We thank you all for being there for our kids and helping them grow into responsible human beings. Keep up the good work!"

Parent Testimonials...

"I would like to take this opportunity to provide feedback on this wonderful school. My daughter joined GD Goenka School three years ago during the COVID-19 pandemic. With a change in curriculum and the transition to boarding, I was initially apprehensive about how she would adapt to the new environment and culture. However, all my fears were unfounded. She was warmly welcomed, guided, and assisted by the teachers and wardens, which enabled her to quickly adjust to the changes and excel academically. From her first term in 9th grade to graduating 10th grade with honors, she showed remarkable improvement. GD Goenka World School provides the ideal environment for the all-round development of children, with equal emphasis on academics and extracurricular activities. The school management actively engages in inclusive decision-making for child welfare."
